

Dear Parents, Guardians and Carers,

Bendigo Primary School is looking forward to another great year of teaching and learning and would like to advise you of Bendigo Primary School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you all for your support, whether that's through fundraising, volunteering your time at school or other ways you help us to 'Be our Best'. This has made a huge difference to our school, our students and the programs we can offer.

Within our school this support makes a significant difference to the quality of our programs. It has allowed us to-

- Continue to offer our students a broad range of experiences including digital learning experiences through our one-to-one netbook program,
- Provide high quality learning supported by an excellent up to date range of resources in our classrooms and specialist lessons,
- Offer extra curriculum activities such as camps, excursions and incursions that inspire and excite our students.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Carolyn Tavener

Principal

School Council President
