Dear Parent/Guardian,

Bendigo Primary School is looking forward to another great year of teaching and learning. We wish to advise you of the voluntary financial contributions for 2022. Schools provide students with free instruction to fulfil to standard Victorian curriculum and we assure you that all contributions are voluntary.

Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. Your financial support makes such a difference to our school and the programs we can offer.

Within our school this support has allowed us to provide students with extra curriculum experiences, digital learning opportunities through our one-to-one netbook program and access to online learning programs and software that enhance the curriculum.

As in previous years, families will be able to keep track of contributions made to the school by requesting a copy of their family statement.

For further information on the Department's Parent Payment Policy, please see a one-page overview attached.

Principal
