PURPOSE

To explain to our school community the Department's and Bendigo Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Bendigo Primary School and,
2. Students' personal mobile phones [and other personal mobile devices] brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

For the purpose of this policy, 'mobile phone' refers to mobile phones and any device that may connect to a cellular (telecommunication) system, with or without a physical connection to a network, or have a similar functionality to a mobile phone such as smart watches.

POLICY

Bendigo Primary School understands that students may bring a personal mobile phone, or similar device, to school, particularly if they are travelling independently to and from school.

At Bendigo Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored at the school office during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Bendigo Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones, or similar devices, owned by students at Bendigo Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Bendigo Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are

encouraged to obtain appropriate insurance for valuable items. Refer to the Department's [Claims for Property Damage and Medical Expenses policy](#)

Where students bring a mobile phone to school, Bendigo Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Bendigo Primary School, students are required to hand their phone in to the office when arriving at school, where it will be stored securely for the day. Students can collect their phones at the end of the school day after the bell.

Students who use their personal mobile phones inappropriately at Bendigo Primary School may be issued with consequences consistent with our school's existing student engagement policies, expected behaviours matrix and Code of Conduct.

At Bendigo Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
